

### Playful Curves Out Of A Concrete Shell

- This gorgeous sculptured piece hangs on your wall like a work of art, drawing all eyes to it... This intriguing radiator is the first to unite the fine details of art and pure craftsmanship with industrial efficiency. The playful, sensuous curls form a deliberate contrast with their intractable concrete shell.

#### DIMENSIONS (in mm)

The Heatwave can be mounted in any orientation through 360°.

#### COLOURS

Standard colours:

623 matt black 628 stone grey

Other colours: RAL range on demand.

#### CONNECTIONS

The design of the Heatwave is such that an air vent is not fitted to the radiator itself.

#### PLEASE NOTE!

The Heatwave does not come with an air vent. The design of the Heatwave is such that an air vent is not fitted to the radiator itself. Venting is to be done through the central heating system.

NOTE: The Heatwave must NOT be the highest point of the central heating system.
