

## Description

Gransasso - the tallest mountain in Italy outside of the Alps - is the inspiration behind this popular Livingstone design. The charm of the mountain, the coarseness of the rock, are all brought to life in the Gransasso's surface. The water version of Gransasso incorporates either a manual or thermostatic 'hidden valve' system which enhances the artistic nature of the radiator.

## Product Specifications

Material	Recycled Marble
Delivery	4 - 5 weeks
Guarantee	5 Years
Outputs	480—1680 watts @ t 50°C
Connections	Special rear connections

Product Code	Height (mm)	Width (mm)	Depth / Projection (mm)	Output : Watts @t50 degrees	Output : BTU's @ T50 degrees
