

Description

The strong visual impact of the broken and cracked stone effect, as if crafted from the rock, makes the Well a unique 'stone' radiator. Its surface patterns of lights and darks alternate with the light constantly offering a different perspective whenever you look at it. The water version of the Well incorporates either a manual or thermostatic 'hidden valve' system which enhances the artistic nature of the radiator.

Product Specifications

Material	Recycled Marble
Delivery	4 - 5 weeks
Guarantee	5 Years
Outputs	480—1680 watts @ Δ 50°C
Connections	Special rear connections

Product Code	Height (mm)	Width (mm)	Depth / Projection (mm)	Output : Watts @t50 degrees	Output : BTU's @ T50 degrees
WELL1155	1100	550	70	720	2456
WELL1555	1500	550	70	1200	4094
