## Ribes Nature Radiator

### Description

Part of the 'Nature' range of radiators from K8 Radiatori, this Marco Pisati design captures the growth of a currant bush as it makes its way across a wall. To create your bespoke radiator - Choose the colour of the base from the range of RAL colours available. For the accessory, there is the option of another RAL colour, one of four galvanized finishes (Copper, Bronze, Gold or Gun Metal), Brushed Stainless Steel or Chrome.
