Space Straight Towel Rail

Description

Towel radiators are now an integral part of the modern bathroom and thanks to the New 'Space' straight radiator from The Radiator Centre, you can fit a quality towel rail at an unbelievable price.

Sophisticated and stylish, the Space Straight offers a touch of luxury at an everyday price – appealing to the builder, property developer and installer alike - perfect for every type of bathroom whether traditional or contemporary. There are 9 model sizes and they offer excellent siting flexibility allowing the towel rail to become a stunning bathroom feature or tucked away where wall space is more limited.

Please note - chrome finishes produce approximately 30% less heat output than standard white.

Dual-fuel and Electric versions are also available.
