

The Radiator Centre

Heat By Design

Louvre Towel Rail

Description

The Louvre Towel rail is a popular choice when space is at a premium, but high heat output is a necessity.

The Slatted horizontal bars provide excellent heat outputs and offer something different to the standard tubes or bars found on other towel rails.

Standard colours available are RAL9016 White and a fine textured grey, but the wide range of finishes available make this towel rail an ideal fixture in a bathroom or kitchen.

Product Specifications

Material	Steel
Standard Colours	RAL 9016 & Sandblast Grey
Colours	Selected Colours
Delivery	All colours 4 weeks
Guarantee	10 Years
Outputs	352 - 1876 watts @ Δt 50°C

Head Office

The Radiator Centre, 7 Holywell Hill, St Albans, AL1 1EU

Tel: 01727 840344

St Albans. Brighton. Islington. Clapham. Leamington Spa.
