

The Radiator Centre

Heat By Design

Ocean Designer Radiator

Description

The Ocean designer radiator together with its sister product, the Oslo, are two unique and visual stimulating sources of heat. Formed from 30mm oblong tubes that have been gently flexed to create a sense of ripples or waves.

The Ocean single has all the ripples together, whilst the Ocean Double has ripples on alternative tubes to create an even more visually interesting design.

Product Specifications

Material	Steel
Standard Colours	RAL9010 White
Bespoke Colours	RAL Colours available
Delivery	Approx 4 weeks
Guarantee	5 Years
Outputs	468—1560 watts @ Δt 50°C

Head Office

The Radiator Centre, 7 Holywell Hill, St Albans, AL1 1EU

Tel: 01727 840344

St Albans. Brighton. Islington. Clapham. Leamington Spa.
