## Pioneer Stainless Steel

### Description

The all new Pioneer Stainless Steel central heating radiator is available in both vertical and horizontal formats that will add a new, dynamic visual aspect to your home.

Clean lines and a simple contemporary design as a result of its stunning polished mirror finish makes the Pioneer a must-have feature in your home. However, a brushed stainless steel finish is also available for an equally contemporary look.

There are 10 sizes available from stock. Please note that these sizes can be mounted vertically or horizontally.
